Top-of-the-line patio heater with an aesthetically pleasing, modern design featuring our patented two-stage technology.

The Designer Series Tube heater combines application flexibility with a chic, modern design. This low-intensity tube heater is specifically designed for comfort, reliability and ease of installation to deliver the desired amount of warmth across a vast number of hard-to-heat applications.

**PRODUCT FEATURES**

- Patented two-stage operation
- Pre- and post-purge controls
- Self-diagnostic LED, microprocessor based circuitry
- 26 linear feet of radiant tube in a 10-foot span provides increased efficiency and heat output
- Unified control panel with easy access and serviceability
- 430 series stainless steel housing
- Highly polished internal reflector and 3/4” modular grille for enhanced radiant output

**BENEFITS OF HEATING WITH INFRARED**

- Superior Comfort
- Reduced Energy Consumption
- Flexibility
- Durability
- Radiant Efficiency
DST SERIES
GAS-FIRED, LOW-INTENSITY INFRARED PATIO HEATER

PRODUCT SPECIFICATIONS

Input Range: 40,000 to 80,000 BTU/h

Certification: CSA, 60 MBH Certified for Commercial/Industrial Indoor & Outdoor Use and Residential Outdoor Only
80MBH for Commercial/Industrial Outdoor Use Only

Length: 119"

Limited Warranty: 3 (Internal Components) - 5 (Tubes) - 10 (Burner)

Gas Type: Natural (3.5” W.C.) or Propane (10.0” W.C.)

Electrical: 120V, 60 Hz. 24V Control
Amps: 5.2 Starting, 0.7 Running

Radiant Tubes: 4” O.D., 26 linear feet.
.95 Emissive Black Coated Aluminized Steel

¹ Specify natural (Nat) or propane (Prop) gas.
² The minimum mounting height is 79” above floor level. Factory recommended mounting heights are provided as a guideline. Actual conditions may dictate variations from the above data.
³ Refer to DST Manual for additional information about clearances for 30° Mounting Angle.

Always maintain the published clearances to combustibles. Not for indoor residential use. Clearances published in DST Series manual and on warning label supersede data shown on this brochure.
